

Integrated Printer Stand

Highlights

- Can be powered by the Breeze *Performance*
- Easily & Quickly replaceable
- Printer recessed in base to eliminate “spillage” damage

Designed to Provide Flexibility

Touch Dynamic redefines the all-in-one design by integrating receipt printers into some of their most popular all-in-one terminals. The compact design of the stand allows for easy setup, and will save precious counter space and reduce cable clutter. The Printer is recessed in base of the all-in-ones to eliminate “spillage” damage and is easily & quickly replaceable.

Works With:
